Vertige Debuts at the Monaco Yacht Show

Tankoa Yachts has officially debuted 50m/164ft superyacht VERTIGE at the Monaco Yacht Show. The second build for the shipyard, VERTIGE has already had a busy summer season in the Mediterranean following delivery to her owners and entry into the charter market.

Luxury charter yacht VERTIGE from Tankoa Yachts - Currently on display at the Monaco Yacht Show

VERTIGE features an exterior design by Francesco Paszkowski and an interior from the same designer in collaboration with Margherita Casprini. The contemporary interior has a timeless air that is more concerned with guest comfort and practical space usage than following what could become short-lived design trends.

Her amenities include a gym, a home cinema and a tender garage able to store a 7m tender plus motorised water toys.

Motor yacht VERTIGE – Main salon and formal dining area

The main deck aft contains a grand sunpad and an open air lounge with a bar that can be extended outwards using the fold-down side balconies. Guests can dine alfresco on the upper deck aft with a table that seats up to 14, plus an outdoor cinema setup for up to 20 guests. Located forward is a solarium and a second open-air lounge.

Luxury yacht VERTIGE – Skylounge

The sundeck provides another open-air lounge, a bar and two solariums fitted with sunbeds and a swimming pool and a Jacuzzi. The beach club ensures guests have close access to the water and comes equipped with a bar and gym.

The layout allows both guests and crew to go about their business with minimal interaction. The accommodation layout contains 6 cabins, which includes an Owner's cabin and a Master suite, a 2 VIP staterooms and 2 further guest cabins.

Superyacht VERTIGE – Master suite

"It was a very interesting project as everyone's intentions, from the shipyard workers to the management to the owner, was to create the most elegant fifty meter yacht on the market. We are sure to have succeeded," Michel Karsenti, Sales Director at Tankoa Yachts, commented.

"We are more than happy with the result. Creating a six cabin yacht, including two suites on the main deck, enormous open air spaces, yet keeping under 500 gross tons and maintaining such an elegant design has been very satisfying."
