New 58m Open Superyacht Concept by Tankoa

December 07, 2016

Written by Maria Korotaeva

The Italian boutique shipyard specialising in luxury superyachts ranging from 50 to 90 metres, [Tankoa Yachts](#), unveiled its latests superyacht concept. This 58m Open concept certainly differs from the others: her hull and superstructure are completely built in light alloy 5083, which allows her to reach a very impressive speed of 30 knots. The concept is based on the idea of comfort on board and high speed running on the water, while combing new idea in the yacht construction and technology.

Tankoa 58m Open Concept 1

The Tankoa 58m Open concept implies the power will be provided by three MTU 2,000 kW engines. The design has been developed by bespoke [Francesco Paszkowski Studio](#), who has previously worked on a large number of great projects in the yachting industry.
