*I DYNASTY: CREATING
THE MOST COMPLEX
YACHT IN HISTORY*

• *Blush*

The sheltered sundeck on 47.25m *Blush*, with its chic décor, sophisticated lighting scheme and varied areas makes it feel like an outdoor saloon. It is perfect for long evenings with friends – lingering over dinner or propping up the bar.

Six of the best Sundecks

• *Solange*

The sprawling sundeck on this 85.1m runs from a horseshoe bar with gold mosaic, to a beach-chic lounge platform with a twinkly star overhead and dance floor – it has hosted 60 for New Year's Eve.

• *Ester III*

The top deck of this 69.35m is party central, with a kitchen, grill and bar, a drop-down cinema screen and a sound system and DJ set-up for a disco.

• *Saramour*

The uppermost of six decks, the sundeck of 61.3m *Saramour* includes an enclosed gym as well as an ultra-private lounge space for intimate gatherings.

• *Suerte*

The sundeck of this 69.3m boasts an 8,000 litre pool with a bar and waterfall, plus a touch-and-go helipad that doubles as a sunbathing spot.

• *Turquoise*

The sundeck of this 55.4m was a sunbather's haven but a recent refit made it a social hub too – with a stylish bar, barbecue and dining area.
