## New 70m Tankoa Superyacht S701 Sold

October 10, 2016

Written by [Eva Belanyiova](#)

[Tankoa Yachts](#) have recently announced the sale of their latest model, the **S701** superyacht of 70 metres. The yacht, which is expected to be delivered at the 2018 [Monaco Yacht Show](#) represents an evolution of the yard's first launch from last year – the 69m [SUERTE](#).

Tankoa S701 Superyacht

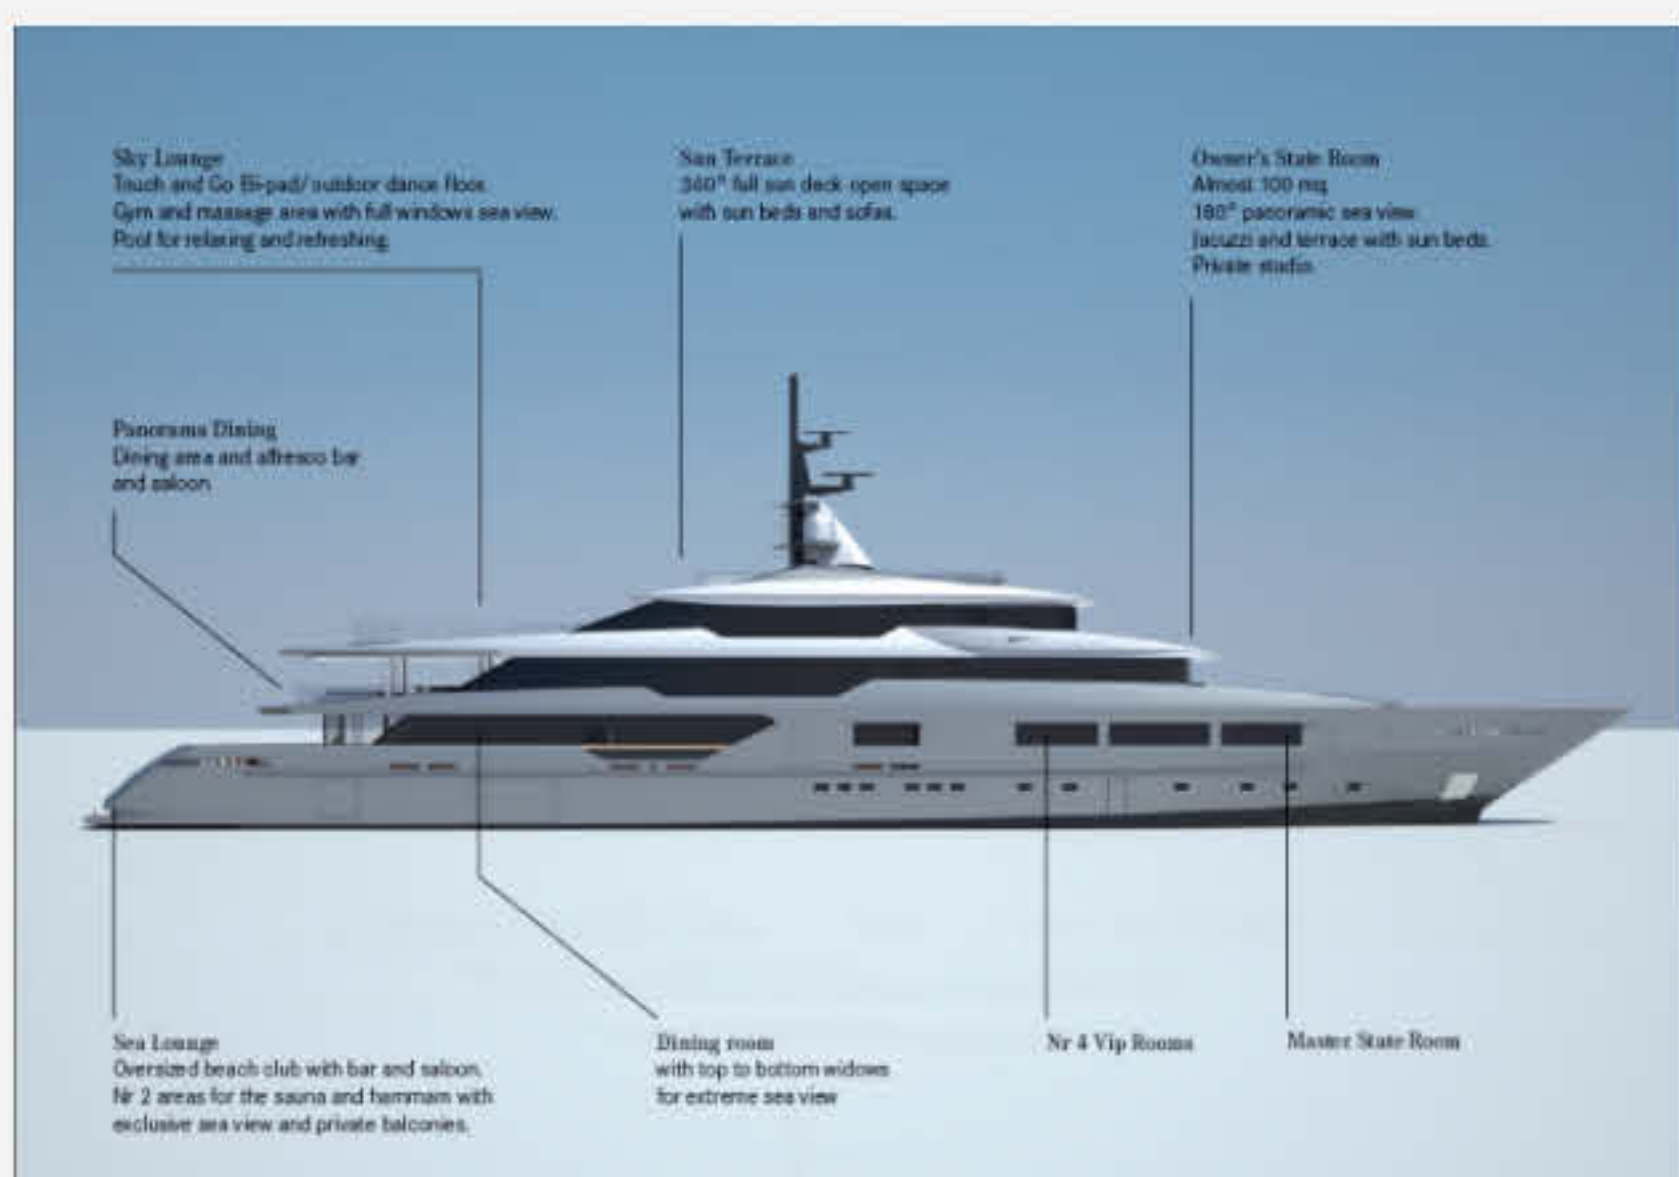

S701 will feature a new and improved layout, will be even more luxurious with an impeccable finish. She will be an LY3 Yacht and constructed to MCA commercial specifications.

The new vessel will have a beam of 11,60 metres with a 3,30m draft. She will be powered by two CAT 3516 B DITA-SCAC HD engines of 1,825 kW at 1,600 rpm each, reaching a maximum speed of about 16,5 knots and a cruising speed of 15 knots (12,5 knots long range). She will have a range of 5000 nautical miles at 12 knots.
