Tankoa S621- Living Area

The Tankoa S621 Mega Yacht has its own friggin Beach Club... YES!

Tankoa Yachts, Genoa-based boutique shipyard announced its latest stunning project at Monaco Yacht Show 2016, Tankoa S621. Tankoa S621 is outstanding for something hard to define rationally but easy to feel as emotion. Entirely handcrafted in Italy – with the S621 Tankoa confirms considerably innovative stance in the super and mega yacht sector and states a new benchmark in terms of elegance and living spaces offer.

"When we started designing the model S621, together with Francesco Paszkowski Design Studio, – refers Guido Orsi, President of Tankoa Yachts – we were looking for a new kind of yacht. At the end of the journey we reached something we consider unique". Francesco Paszkowski adds: "New Tankoa S621 is inspired by the first two yachts of the shipyard – M/Y 69m Suerte and Tankoa S501 – laying the foundation of the contemporary era of Tankoa Yachts. To the first inspirations, the new 62m adds and develops new distinctive features in order to create a yacht where the shipyard's signature is immediately recognizable. While the lines of the aft and those of the bow remind Tankoa S501 and the shape of the superstructure recalls Suerte, in the project of the 62m, the windows become larger to enhance light of the interiors while the superstructure becomes even more rigorous".

In this 62 meter yacht, the designer conceived amazing harmonious volumes characterized by the extended aft, as big as in much larger yachts, with a huge beach club, an elegant lounge and a wonderful infinity pool. Tankoa's S621 owns all the qualities that distinguish the excellence made in Tankoa Yachts with the special leading role of the pool with vanishing edge that makes you feel your private space with no boundary.
